

# ITC31 Timetable

## Nov. 8th Tuesday

9:15 **Opening**

9:45  
10:00  
**Keynote Session**

12:00  
**Poster 1**

13:00  
**Organized Session 1A**

Structure formation and sustainability

**Organized Session 1B**

Safety science and engineering for fusion power complex

## Nov. 9th Wednesday

9:00  
**Organized Session 2A**

Plasma quantum processes

**Organized Session 2B**

Applied superconductivity and cryogenics

11:30  
**Poster 2**

13:00  
**Organized Session 3A**

Phase space turbulence

**Organized Session 3B**

Meta-hierarchy dynamics

15:00  
**Organized Session 2A cont.**

**Organized Session 2B cont.**

## Nov. 10th Thursday

9:00  
**Organized Session 4A**

S&I: Sensing and intellectualization

**Organized Session 4B**

Ultrahigh-flux concerting materials

11:00  
**IUPAP Session**

12:00  
**Organized Session 5A**

Transports in plasma multi-phase matter system

**Organized Session 5B**

Plasma apparatus

13:45  
**Organized Session 4A cont.**

## Nov. 11th Friday

9:00  
**Organized Session 6A**

Complex global simulation

13:00  
**Summary Session**

15:00  
**Student Award & Closing**
